

## Milbrotec® Star Picket Stabilisers

The Milbrotec® Star Picket Stabilisers assist in preventing star pickets from leaning or sinking into the ground. This innovation can be retrofit to existing star pickets - 2 sizes for small and large star pickets.

Simple to install and galvanised to improve longevity.

*"Love them – bought an extra 10." R. Ritchie - customer*

Comes  
in 2  
convenient  
sizes

## Milbrotec® Gates

Milbrotec's range of strong, hot dipped galvanised gates come in 10, 12 or 14 foot lengths and are designed to prevent sagging or warping.

Suitable for sheep, cattle or livestock.

Optional personalised property signs are also available.
